And home rejoicing brought me.**

Your goodness fails me never;
Good shepherd, may I sing your praise
Within your house forever.** (repeat first verse)

Where there is darkness, only light;

In giving of ourselves that we receive,
And in dying that we are born to eternal life.**

Only you are holy; there is none beside you,

At the wonders of Maya's illusion,

Fill my heart with undying love, and show me, show me the Way.**

**And whenever the veil is cast over my eyes,
And I run to the pleasures in blindness,

Ills have no weight, and tears no bitterness.
Where is death's sting? where, grave, thy victory?
I triumph still, if thou abide with me.**

still all my song shall be,
nearer, my God, to thee;
nearer, my God, to thee, nearer to thee!**

darkness be over me, my rest a stone;
yet in my dreams I'd be
nearer, my God, to thee;
nearer, my God, to thee, nearer to thee!**

all that thou sendest me, in mercy given;
angels to beckon me
nearer, my God, to thee;
nearer, my God, to thee, nearer to thee!**

out of my stony griefs Bethel I'll raise;
so by my woes to be
nearer, my God, to thee;
nearer, my God, to thee, nearer to thee!**

sun, moon, and stars forgot, upward I fly,
still all my song shall be,
nearer, my God, to thee;
nearer, my God, to thee, nearer to thee!**

 With healing in its wings:
 When comforts are declining,
 He grants the soul again
 A season of clear shining,
 To cheer it after rain.**

 Bring with it what it may.**

 Will give His children bread.**

 Their wonted fruit should bear,
 Though all the fields should wither,

 I cannot but rejoice.**

Shaker song

30)

I'd rather have Mother than silver or gold,
I'd rather be hers than have riches untold
I'd rather have Mother than houses or land,
I'd rather be led by her unerring hand.

Refrain

*Than to be the king of a vast domain
And be held in ignorance's sway
I'd rather have Mother than anything
This world affords today.*

I'd rather have Mother than men's applause,
I'd rather be faithful to her high cause
I'd rather have Mother than worldwide fame,
I'd rather be true to her holy name.

She's fairer than lilies of rarest bloom;
She's sweeter than honey from out the comb;
She's all that my hungering spirit needs;
I'd rather have Mother and let her lead.

Adapted from a song by Rhea F. Miller (1922)

31)

Chant the name of the Lord and his glory unceasingly
The mirror of the heart will thus be wiped clean,
And quench the raging fire within.

Stream down in moonlight on the lotus heart, (O name)
Drown deep in the waves of his bliss, (O self)
Chanting his name continually.

Various are your names; each name contains your power.
No times are set, no rites are needfull
For chanting of your holy name.

Be humbler than the grass and forbearing like the tree;
Take no honor to yourself, give honor to all;
Chant unceasingly the holy name.

Mine is no prayer for pleasure or wealth;
If I must be reborn, grant me pure love for you
For you're my heart's beloved.

Prostrate at your feet let my mind ever be,
Do with me whatever you will,
I surrender to you. (repeat)

Adapted from Chaitanya's Prayer

32)

**What wondrous love is this, O my soul, O my soul,
what wondrous love is this, O my soul!
What wondrous love is this that caused the Lord of bliss
To come down to this world for my soul, for my soul,
To come down to this world for my soul!**

**When I was sinking down, sinking down, sinking down,
when I was sinking down, sinking down;
when I was sinking down beneath man's righteous frown,
You came to lift my soul, lift my soul,
You came to lift my soul, lift my soul.**

**To God and to the Light, I will sing, I will sing,
to God and to the Light, I will sing;
to God and to the Light, who is the great I AM,
awakened from the dream, I will sing, I will sing,
awakened from the dream, I will sing!**

**And when from death I'm free, I'll sing on, I'll sing on,
and when from death I'm free, I'll sing on;
and when from death I'm free, I'll sing and joyful be,
and through eternity I'll sing on, I'll sing on,
and through eternity I'll sing on!**

passing from you and from me;
shadows are gathering, farewells are coming,
coming for you and for me.**

Believe her, and all will be well:
Then go to a world that is dying,
Her life-giving message to tell.**

**The lone, wild bird in lofty flight
is still with you, nor leaves your sight.
And I am yours! I rest in you,
Great Spirit, come, rest in me, too.**

**The ends of earth are in your hand,
the sea's dark deep and far off land.
And I am yours! I rest in you,
Great Spirit, come, rest in me, too.**

**In secret depths you knit my frame,
before my birth you spoke my name;
Each secret thought is known to you,
the path I walk my whole life through. (repeat first verse)**

Henry Richard McFadyen (1925)

**The Christ child's asleep
 The silence is so deep
 That round about, with hope in their eyes,
 The animals await;
 Their breathing they abate:
 They know their time has come to arise.**

**For Jesus came on earth
 To offer second birth
 To all who would the blessing receive.
 The inner peace he brings
 Can lift us on soul-wings
 To soar in light, and heaven perceive.**

**Our pleasures and pains,
 Our losses, our gains
 Have kept us long bound
 In Maya's playground.
 We dreamed of imposing on desert sand
 Flower gardens of beauty, verdant vales of delight:
 Imagination misted our sight!**

**The freedom we would know
 Christ offered long ago,
 And even from his slumber flows peace.
 All creatures here on earth,
 Alive to their own worth,
 Can welcome love, and win their release.**

**The Christ child's asleep
 The silence is so deep
 That round about, with hope in their eyes,
 All creatures stay awake;
 Their breathing they abate:
 They know their time has come to arise.**

I come from that land where the Lord always shines,
Come to that land and soar beyond all bounds.**

Wonder of wonders I've seen. (x3)

I am weary; I am worn with longing.

Then I will shed tears of joy,
If it is your pleasure to keep me in anguish,

**Listen my heart, that voice again is calling
From far away, beyond all time and space
The night is gone and the sunshine is falling
Upon your head awakening your soul.**

Refrain

**It's time to rise and follow that sweet melody
It's time to trust that gentle voice within
It's time to fly to freedom in infinity
Free like a bird in the blue sky; forever free.**

**And if you find the journey is long and trying
And if you fear you may have gone astray
Remember all the saints that walked before you
They pray for you and will show you the way. (refrain)**

And in the end you will be crowned with peace
No more to chase the fleeting passing shadows
Nothing but light will illumine your heart. (refrain)**

The Balm for every heart;
The Sharer of each load;
Companion on the road
Is Rāmakrishṇa.**

The Anchor that will hold;
The Shepherd of the sheep;
The Guardian of my sleep
Is Rāmakrishṇa.**

The Way by which I walk;
The Light to show the way;
The Strength for every day
Is Rāmakrishṇa.**

The Best of All to find
Is Rāmakrishṇa.**

**Life never dies although we live
In the midst of change and death
Only the forms shall pass away
And not the spiritual Self.**

**The consciousness can never die
Although it seems to fade
It does but pass to other forms
Which thoughts and acts have made.**

**"There is no death" all nature says
The rose will reappear
Its petals will more perfect be
After the winter drear.**

**The tiny bird that lifeless falls
A victim of the day
Returns again in higher forms
Upon its upward way.**

**From life to life more high and free
The myriad forms evolve
O may we learn to know the truth
This mighty riddle solve.**

47)

**Young sannyasi pure and bright,
Selfless Teacher full of light.
Roaming freely far and wide,
Seekers walking by his side.**

*Shankara, jaya Shankara,
Jaya Shankara, So'ham.*

**Giving freely from his mind,
Gems of wisdom to mankind.
“You are Ātman, you are ever free
Never touched by misery.”**

**The chandala helped you realize
There is no one to despise.
Saint and sinner are the same,
“All is Brahman” you proclaim.**

49)

**I don't know about tomorrow
I just live from day to day
I don't borrow from its sunshine
For its skies may turn to grey.**

**I don't worry o'er the future
For I know what Mother said
And today I'll walk beside her
For she knows what lies ahead.**

**Many things about tomorrow
I don't seem to understand
But I know who holds tomorrow,
And I know who holds my hand.**

**Well every step is getting brighter
As the golden stairs I climb
And every burden's getting lighter
And every cloud is silver lined.**

**Oh there the sun is always shining
And there no tear will dim the eye
At the ending of the rainbow
Where the mountains touch the sky.**

**Many things about tomorrow
I don't seem to understand
But I know who holds tomorrow
And I know who holds my hand.**

**Yes I know who holds tomorrow
And I know who holds my hand.**

50)

**Whatever you do to the least of my children
That you do unto me.**

When I was hungry, you gave me to eat;
When I was thirsty you gave me to drink.
Now enter into the home of my Father.

Whatever you do to the least of my sisters...

When I was tired, you helped me find rest;
When I was worried, you calmed all my fears.
Now enter into the home of my Mother.

Whatever you do to the least of my children...

When I was homeless, you opened your door;
When I was naked, you gave me your coat.
Now enter into the home of my Father.

Whatever you do to the least of my brothers ...

When in a prison, you came to my cell;
When on a sickbed, you cared for my needs.
Now enter into the home of my Mother.

Whatever you do to the least of my children...

When I was laughed at, you stood by my side;
When I was happy, you shared in my joy.
Now enter into the home of my Father.

**Whatever you do to the least of my children
That you do unto me.**

51)

Upon a gloomy night
With all my cares to loving ardours flushed
O venture of delight! With nobody in sight
I went abroad when all my house was hushed.

In safety, in disguise
In darkness up the secret stair I crept
O happy enterprise! Concealed from other eyes
When all my house at length in silence slept.

Upon that lucky night
In secrecy, inscrutable to sight
I went without discerning, and with no other light
Except for that which in my heart was burning

It lit and led me through
More certain than the light of noonday clear
To where One waited near, whose presence well I knew
There where no other presence might appear.

Oh night that was my guide
Oh darkness dearer than the mornings pride
Oh night that joined the lover to the beloved bride
Transfiguring them each into the other.

Over the ramparts fanned
While the fresh wind was fluttering his tresses
With his serenest hand my chest he wounded and
Suspended every sense with its caresses.

Lost to myself I stayed
My face upon my lover having laid
From all endeavour ceasing, and all my cares releasing
Threw them amongst the lilies there to fade.

St John of the Cross

52)

**Now I see, Mother, now I see
Now I see, Mother, now I see
Now I see, Mother, now I see
And now there's peace, within my soul,
For You are all I see.**

**Yesterday, war clouds hung so low,
Yesterday, war clouds hung so low,
Yesterday, war clouds hung so low,
And now there's peace, within my heart,
For You have come to me.**

**Love of God, finally turned the tide,
Love of God, finally turned the tide,
Love of God, finally turned the tide,
And now there's peace, within my soul,
Your love has set me free.**

**Rest my soul, you are safe and sound,
Rest my soul, you are safe and sound,
Rest my soul, you are safe and sound,
And now there's peace, within my heart,
For You have set me free.**

53)

**Through bushes and through briars
I lately made my way
Oh, far to hear the small birds sing
And the lambs to skip and play.**

(repeat last two lines)

**I overheard a milkmaid
Her voice did sound so clear
Long time I have been waiting
For the coming of my Krishna.**

**Sometimes I am uneasy
And troubled in my mind
Sometimes I think I'll go to my love
And tell him of my mind.**

**But if I go to Krishna
I fear he may say, "Nay"
If I show to him my boldness
He'll never love me again.**

**Through bushes and through briars
I lately made my way
Oh, far to hear the small birds sing
And the lambs to skip and play.**

54)

**Hide me lord, in your holiness
Everything I now confess
Praise to you, my loving lord
Hide me in your holiness,
Hide me in your holiness.**

**Take my life an offering;
All of me to you I bring.
Praise to you, my constant friend,
Hide me in your holiness. (x2)**

**Hold me lord in your embrace
May I always feel your grace.
Silent blessing in my soul,
Hide me in your holiness. (x2)**

55)

**I love you, Lord
And I lift my voice
To worship you
O my soul rejoice.**

**Take joy, my dear
In what you hear
May it be a sweet sweet sound
In your ear.**

**O lord divine
You are wholly mine
May this poor heart
Be your lowly shrine.**

**Accept me lord
I seek no reward
Other than to be one with you
Forevermore.**

Repeat first verse

56)

**When we walk through the world in the light of God's word
What a glory he sheds on our way.**

**While we do his good will, he abides with us still
And with all who will love and will serve.**

***Love and serve, for there's no other way
To be happy and peaceful, but to love and to serve.***

**Not a burden we bear, not a sorrow we share,
But our toil he does always repay.**

**Not a grief or a loss, not a frown or a cross,
But is blessed if we love and serve.**

**Not a shadow can rise, not a cloud in the skies
But his smile quickly drives it away.**

**Not a doubt or a fear, not a sigh or a tear
Can abide when we love and we serve.**

**Then in fellowship sweet we will sit at his feet
And we'll walk by his side in the way.**

**What he says we will do, where he sends we will go
Never fear, only love and serve.**

57)

**Sri Ramakrishna, we worship and adore you
Help us to love God with all our heart.**

**Help us to love God, help us to love God,

Show us how to love all as our own.**

**Show us how to love, show us how to love,
Show us how to love all as our own.**

**Vivekananda, embodiment of wisdom
Teach us to be strong and to be free.**

**Teach us to be strong, teach us to be strong,
Teach us to be strong and to be free.**

**Gracious Guru who shows the way to freedom
Guide us on the way towards the light.**

**Guide us on the way, guide us on the way,
Guide us on the way towards the light.**

**All to Mother I surrender
All to her I freely give
I will ever love and trust her
In her presence daily live
I surrender all, I surrender all
All to you my loving mother
I surrender all.**

**All to mother I surrender
Make me, mother, wholly yours
Let me feel your holy presence
Truly knowing we are one
I surrender all, I surrender all
All to you my gracious mother
I surrender all.**

**All to mother I surrender
Guide me, mother, with your light
O the joy of revelation
lighting up the darkest night
I surrender all, I surrender all
All to you my loving mother
I surrender all.**

**All to mother I surrender
Humbly at her feet I bow
Worldly endeavours all forsaken
Take me mother, take me now.
I surrender all, I surrender all
All to you my gracious mother
I surrender all.**

59)

**Early when I rise I will pray to you:
Lord, help me do things right;
Keep my mind on you.
Flow through me Lord, flow through me.**

**As the day goes by may I be with you
In everything I say; everything I do.
Flow through me Lord, flow through me.**

**All the work that's done I will offer you.
And when it's late at night I will rest in you
Flow through me Lord, flow through me.**

Fix your mind on Me
Give your heart to Me
Be my devotee
You will merge in Me

Offer what you have

Offer to Me everything
You will be with Me.

Same to friend and foe
Same in pain and joy
Same to all beings
You will rest in Me.

Cherish and love all
Serve the living God

62)

Sweet hour of prayer! sweet hour of prayer!
That calls me from a world of care,
And bids me at my Father's home
Make all my wants and wishes known.

In seasons of distress and grief,
My soul has often found relief,
And oft escaped the tempter's snare,
By thy return, sweet hour of prayer.

Sweet hour of prayer! sweet hour of prayer!
The joy I feel, the bliss I share,
Of those whose eager spirit yearn
With strong desires for thy return.

With such I hasten to the place
Where God my lover shows his face,
And gladly take my station there,
And wait for thee, sweet hour of prayer.

Sweet hour of prayer! sweet hour of prayer!
Thy wings shall my petition bear
To Him whose truth and faithfulness
Engage the waiting soul to bless.

And since he bids me seek his face,
Believe his word and trust his grace,
I'll cast on him my every care,
And wait for thee, sweet hour of prayer.

Sweet hour of prayer! sweet hour of prayer!
May I thy consolation share,
Till, from the mountain's lofty height,
I view my home and take my flight.

This robe of flesh I'll drop, and rise
To seize the everlasting prize,
And shout, while passing through the air,
"Farewell, farewell, sweet hour of prayer!"

63)

Sāradā Devi, Mother
Show us the way
May we remember always
What you have said:

Don't see the faults of others
Rather see your own
Learn to make the whole world your own
And you will live at peace.

Sāradā Devi, Mother
Shine in my heart
May you dispel the darkness
Veiling my mind.

You said: surrender to the Master
May He be your all
Give up selfish desires
Think of God alone.

Sāradā Devi, Mother
Show us the way
May we remember always
What you have said:

I am the Mother of the righteous
And of the unrighteous too
Whenever you call on Me
I will come to you.

Sāradā Devi, Mother
Shine in my heart
May you dispel the darkness
veiling my mind.

You said: I am Mahamaya
Mukti is in my hand
I will always protect you
Call on me, my child.

Sāradā Devi, Mother
Shine in my heart.
